Genius Aloha Series

GB-1500A Professional Laptop
GC-1500A Professional Briefcase

The new Aloha series from Genius are backpacks that combine style, simplicity, and elegance. The GB-1500A Backpack and GC-1500A Briefcase models fit the most popular notebooks available today.

Thanks to a clever design, the GB-1500A backpack is the ideal laptop case for business professionals and travelers. The interior compartment is large enough to accommodate not only your laptop but other items such as books, folders and other essentials, with adjustable shoulder straps, as well as a security zipper.

Elegant yet ergonomic, the GC-1500A briefcase is designed as a casual, compact, and contemporary case. It is made of 1680D polyester. To store your essentials, the top load features a key clip, business card holder and compartment for a cell phone or other accessories. These bags are the perfect partner for your laptop on the go. For more information about the Aloha series, just ask your salesperson.
